MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH JULY 15, 2003

Recent deaths resulting from children being left in hot cars require preventative action by the County.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Administrative Office to coordinate with all County departments to create and implement a public awareness campaign to engage and encourage the public to be observant and aware of any children left in cars. To save lives in parking lots and on our streets, the public must notify law enforcement or emergency services whenever they witness this crime.
